

TRA-JET F6019B

Fabric Roller Heat Transfer Machine

TOP SPEED 300m/h

1. PLC touch screen panel
2. Integrated collecting ring
3. Blanket anti-deviation device, the cover rate of blanket exceed 70%
4. Automatic start and stop, alarm device
5. Fabric expanding and rolling up device
6. Imported electrical components

Model	F6019B	Power	46KW
Drum dia.	600mm	Printing speed	150-300m/h
Printing width	1900mm	Weight	2800kg
Voltage	3 phase 220V/380V	Dimension	4.3m*2.9m*1.7m
